www.daskasurgical.com

ABOUT "TRUEFACE"

Who we are; "TrueFace" Instruments Company is a leading Manufacturer & Suppliers of Standard and Customized Surgical & Beauty Care Instruments Located at Sialkot (Punjab) Pakistan.

We started the business in 2007 as a small Manufacturing Facility to fulfill the orders for local Suppliers. Being as a small scale Manufacturer there were a lot of challenges to face. But with Strong Determination & a skilled team We expand our Manufacturing facility day by day. Finally we started our direct Supply Worldwide in 2011.

Our Skilled team worked hard with Honesty & Commitment to grow up in this field to meet the international Demands and Standards of Health & Beauty Professionals. We gained a leading position in the Worldwide market and contributed a tremendous role in achieving the great success.

What we do; We Manufacture Standard and Customized Instruments for the Health Care & Beauty Care Industries using the Finest grade of Stainless Steel, Single Use & Re-Usable Instruments as well. our Professional & Dedicated Team Produces High Quality Instruments with Latest Technology & Modern Machinery to fulfill the needs of our valuable customers to keep in mind the International Standards and Requirements.

Quality Care; We have implemented & maintained a Quality Management System set by the International Quality Certification Departments to produce & deliver high quality Instruments to our customers.

Customization; We offer also Customization regarding the Innovation of Instruments, Laser Marking and Packaging.

Customer Service; We are available 24/7 on Direct call, WhatsApp, Email. if you have any questions, then please feel free to contact us for further information.

Shipping & Delivery; We can manage all types of deliveries, By Sea Shipping, By Air Cargo Service, By Courier Door to Door Delivery.

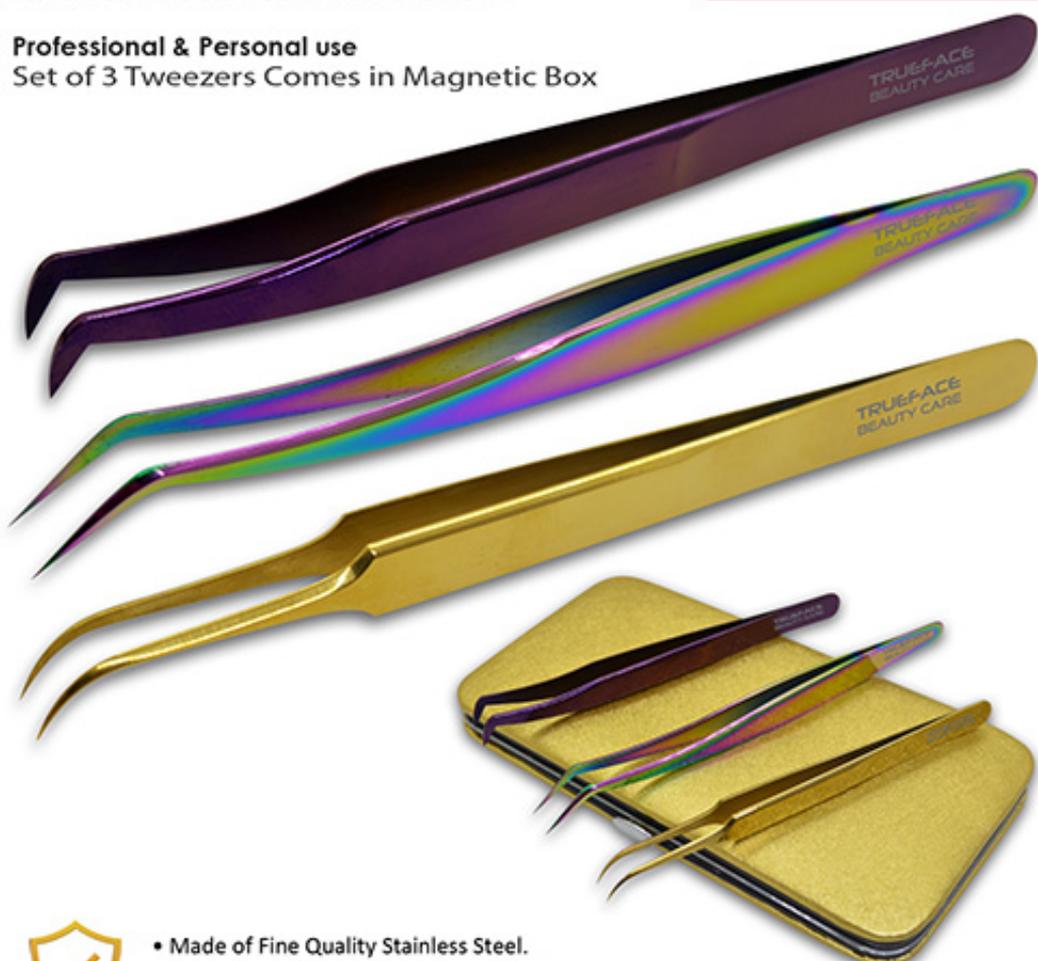

Thanks & Regards
 CEO
